

National Masters (40-44) Hour Record Attempt

USAC Permit 2010-1814
Sunday July 11th 8-10 AM

Who: Stewart Bowmer will attempt to set a new Masters (40-44) Hour Record. Current Record is 45.5871 kilometers in one hour. Also set a new Marymoor Record. Current is at 41.7K.

Where: Marymoor Velodrome <http://velodrome.org>

Why: To help raise money for Yield to Life. We all have either been hit or have known people that have been hit by motorists. This non-profit started by David Zabriskie is helping educate motorists and cyclists to be safety conscious while sharing the road.

Donations: To learn more about Y2L and to make donations directly to Y2L see <http://yieldtolife.org/>
